Product Description

Gravely Pro-Walk 52 Hydro Drive Walk-Behind Mower

The Pro-Walk commercial walk behind has been updated with the user in mind. A more ergonomic design combines with the stability you trust for precise, comfortable control.

Features

- **52" Fabricated Deck** - Durable cutting deck designed for efficient coverage and long-lasting performance in commercial use.
- **Hydro Drive System** - Smooth, responsive controls provide precise maneuverability in tight and detailed mowing areas.
- **Kawasaki® FS600V Engine** - 18.5 HP gas engine delivers reliable power for consistent cutting performance.
- **Ergonomic Control Design** - Updated operator controls improve comfort and reduce fatigue during extended mowing sessions.
- **Commercial-Grade Construction** - Built for durability and daily use in demanding professional environments.
- **Walk-Behind Stability** - Balanced design enhances control across various terrains for clean, even results.

Best Use

- **Commercial Lawn Care Crews** - Ideal for professionals who require precision and durability for daily mowing tasks.
- **Tight and Detailed Areas** - 52" deck and walk-behind design allow better control around obstacles and landscaping.
- **Medium to Large Properties** - Efficient cutting width supports productivity without sacrificing maneuverability.
- **Local Equipment Buyers** - A dependable option for contractors sourcing equipment from [your go to lawn store in virginia.](#)
