Product Description

Gravely Pro-Walk 48 Hydro Drive Walk-Behind Mower

The Pro-Walk commercial walk behind has been updated with the user in mind. A more ergonomic design combines with the stability you trust for precise, comfortable control.

Features

- **48" Fabricated Cutting Deck** - Heavy-duty commercial deck built for durability, consistent airflow, and a clean professional cut.
- **Kawasaki® FS600V Engine (18.5 HP)** - Reliable gas-powered engine designed for steady performance in demanding mowing conditions.
- **Hydro Drive System** - Smooth hydrostatic drive provides precise speed control and improved maneuverability.
- **Ergonomic Operator Design** - Updated layout improves comfort and reduces fatigue during extended mowing sessions.
- **Walk-Behind Commercial Control** - Designed for maximum stability and precision in detailed lawn maintenance work.
- **Heavy-Duty Frame Construction** - Built for long-term commercial use in tough landscaping environments.
- **Improved Handling Stability** - Enhanced balance and control for consistent cut quality across varied terrain.

Best Use

- **Commercial Lawn Maintenance** - Ideal for professional crews handling residential properties, commercial sites, and managed landscapes.
- **Tight Access Mowing Areas** - Perfect for locations where zero-turn mowers cannot easily operate.
- **Detail-Oriented Landscaping Work** - Excellent for trimming, edging support, and precision mowing around obstacles.
- **Professional Equipment Supply Planning** - Best suited for contractors sourcing reliable equipment

from trusted suppliers like a [Virginia lawn and hardware equipment source for pros.](#)
