Product Description

Gravely Pro-Walk 36 Hydro Drive Walk-Behind Mower

The Pro-Walk commercial walk behind has been updated with the user in mind. A more ergonomic design combines with the stability you trust for precise, comfortable control.

Features

- **36" Fabricated Deck** - Durable deck construction designed for consistent cutting performance in commercial mowing conditions.
- **Kawasaki® FS481V Engine** - 14.5 horsepower gas engine provides reliable power for daily lawn care operations.
- **Hydro Drive System** - Smooth hydrostatic drive delivers precise control and easy maneuverability.
- **Ergonomic Control Design** - Updated operator controls improve comfort and reduce fatigue during extended use.
- **Commercial Walk-Behind Platform** - Built for stability and dependable performance in professional environments.
- **Gas-Powered Operation** - Consistent output and runtime for crews handling multiple properties.

Best Use

- **Commercial Landscaping Crews** - Ideal for professionals needing a reliable walk-behind mower for routine jobs.
- **Tight and Gated Properties** - 36" deck fits through narrow access points and confined spaces.
- **Precision Lawn Maintenance** - Hydro drive system supports detailed cutting and controlled operation.
- **Routine Turf Care Programs** - Works well alongside strategies like [A Practical Guide for Healthy Turf](#) for consistent lawn health.
- **Multi-Property Maintenance** - Designed for efficiency across residential and commercial job sites.

Commercial 36-Inch Walk-Behind Mower for Precision Cutting
