Product Description

Gravely ZT 34" Kawasaki Zero Turn Mower 915288

The Gravely ZT brings commercial features and construction to a residential compact design. This is a comfortable, durable zero-turn mower that gives you the maneuverability you need to finish the job quickly – without sacrificing a beautifully cut lawn.

Features

- **34" Fabricated Deck** – Compact fabricated deck delivers durability and a clean, consistent cut in residential mowing applications.
- **Kawasaki® FR600V Engine** – 18 horsepower gas engine provides dependable performance for everyday lawn care.
- **Zero-Turn Maneuverability** – Responsive steering system allows tight turns and efficient navigation around obstacles.
- **Commercial-Inspired Construction** – Built with Gravely durability standards in a compact residential design.
- **Comfort-Oriented Operator Platform** – Designed to improve comfort during extended mowing sessions.
- **Efficient Cutting Performance** – 34" deck size balances productivity and precision for smaller to mid-size yards.

Best Use

- **Residential Lawn Maintenance** – Ideal for homeowners wanting professional-grade performance in a compact machine.
- **Yards with Tight Spaces** – 34" deck allows access through gates and narrow landscape areas.
- **Obstacles and Landscaping Features** – Zero-turn control makes mowing around trees, gardens, and structures easier.
- **Routine Weekly Mowing** – Designed for consistent residential upkeep and lawn maintenance

schedules.

- **Small to Medium Properties** – Efficient for homeowners seeking speed without sacrificing cut quality.

Compact Residential Zero Turn Mower with Commercial-Style Build
