Product Description

Gravely Pro-Turn® 360 Kawasaki® EFI Zero-Turn Mower 992529

COMFORT AND DURABILITY, YARD AFTER YARD AFTER YARD AFTER YARD...

Introducing the Pro-Turn® 300. A newly designed, hard-working mower built to keep you comfortable from dawn to dusk. This is mowing to the next-level thanks to its innovative features and superior cutting performance.

Features

- **60" X-Factor® 3 Deck** - Heavy-duty 7-gauge fabricated deck engineered for durability and superior cutting performance.
- **Kawasaki® FX850 EFI Engine** - 852cc electronic fuel injection engine delivers 29.5 horsepower for consistent commercial mowing power.
- **Commercial-Grade Construction** - Built for demanding professional lawn care applications and long-term durability.
- **60-Inch Cutting Width** - Covers more ground in fewer passes to improve productivity on large properties.
- **EFI Technology** - Electronic fuel injection helps provide reliable performance and efficient engine operation.
- **Pro-Turn® 300 Platform** - Designed to deliver comfort and durability for operators working from dawn to dusk.

Best Use

- **Commercial Landscaping Crews** - Ideal for professionals maintaining large residential and commercial properties.
- **Large Acreage Mowing** - Wide 60-inch deck helps maximize productivity on expansive lawns and open areas.

- **Professional Lawn Maintenance Programs** – Supports routine mowing schedules and efficient property upkeep.
- **Seasonal Lawn Care Management** – Pairs well with [tips for taking care of your lawn](#) to help maintain healthy, well-manicured turf throughout the year.
- **Equipment Flexibility for Contractors** – A great option for businesses that also utilize [lawn mower rental services](#) when managing changing workload demands.
