Product Description

Gravely Pro-Turn® 560 Kawasaki® Zero-Turn Mower 992530

A TRUE COMMERCIAL-QUALITY MOWER BUILT FOR PROFESSIONALS.

This is the Pro-Turn® 560 Kawasaki® FX1000 EFI. A commercial-grade mower for professionals who want rugged durability without sacrificing features and performance. Better seating, better tires, better mowing deck, and a better transmission make the Pro-Turn 500 the better choice.

Features

- **60" Fabricated Mower Deck** - Commercial-grade fabricated deck designed for durability, strength, and consistent cutting performance.
- **Kawasaki® FX1000 EFI Engine** - Powerful 38.5 HP electronic fuel injection engine delivers dependable performance for demanding mowing applications.
- **Commercial-Grade Construction** - Built specifically for professional landscapers who require rugged durability and long-term reliability.
- **EFI Engine Technology** - Electronic fuel injection helps provide consistent power delivery and efficient engine operation.
- **Enhanced Operator Comfort** - Designed with upgraded seating to support productivity during long workdays.
- **Professional Transmission and Tire Package** - Features upgraded components engineered for commercial performance and durability.

Best Use

- **Commercial Landscaping Businesses** - Ideal for crews maintaining residential communities, commercial properties, and large turf areas.

- **Large Acreage Lawn Maintenance** - Wide 60-inch deck improves productivity by covering more ground with each pass.
- **Daily Professional Mowing Operations** - Built to withstand demanding work schedules and extended operating hours.
- **Complete Turf Care Programs** - Supports property maintenance strategies and pairs well with [tips for taking care of your lawn](#) for healthier, better-looking turf.
- **Flexible Equipment Solutions** - A valuable addition for contractors who also rely on [commercial mower rental services](#) to expand fleet capacity during peak seasons.

Commercial EFI Zero-Turn Mower Built for Professional Landscapers
