Product Description

Gravely Pro-Turn® 572 Kawasaki® Zero-Turn Mower

A TRUE COMMERCIAL-QUALITY MOWER BUILT FOR PROFESSIONALS.

This is the Pro-Turn® 572 Kawasaki® FX1000 EFI. A commercial-grade mower for professionals who want rugged durability without sacrificing features and performance. Better seating, better tires, better mowing deck, and a better transmission make the Pro-Turn 500 the better choice.

Features

- **72" Fabricated Mower Deck** - Extra-wide commercial deck provides maximum cutting coverage for increased productivity on large properties.
- **Kawasaki® FX1000 EFI Engine** - Powerful 38.5 HP electronic fuel injection engine delivers dependable performance for demanding commercial mowing tasks.
- **Commercial-Grade Construction** - Built for professional landscapers who require durability and long-lasting reliability.
- **EFI Engine Technology** - Electronic fuel injection helps maintain consistent power and efficient engine operation.
- **Enhanced Operator Comfort** - Upgraded seating is designed to support comfort during extended mowing sessions.
- **Professional-Grade Components** - Improved tires, transmission, and deck design contribute to dependable commercial performance.

Best Use

- **Commercial Landscaping Operations** - Ideal for professional lawn care crews managing large commercial and residential properties.

- **Large Acreage Maintenance** - 72-inch deck helps maximize mowing efficiency across expansive turf areas.
- **High-Productivity Mowing Applications** - Designed for professionals seeking to reduce mowing time while maintaining quality results.
- **Municipal and Institutional Grounds Care** - Well-suited for schools, parks, sports facilities, and other large properties.
- **Daily Commercial Use** - Built to handle demanding mowing schedules and long operating hours.

Commercial 72-Inch Zero-Turn Mower for Maximum Productivity

The Gravely Pro-Turn® 572 Kawasaki® Zero-Turn Mower delivers professional-grade mowing performance with a powerful 38.5 HP Kawasaki® FX1000 EFI engine, a massive 72-inch fabricated deck, and commercial-quality construction built for demanding workloads. This [heavy-duty zero turn mower](#) is designed for landscaping professionals who need exceptional productivity, durability, and consistent cutting performance on large properties.
