Product Description

Gravely Pro-Turn 652 Zero Turn Mower 992505

SURPASSING EXPECTATIONS WAS A GIVEN.
OUR GOAL WAS TO REDEFINE THEM.

Introducing the new Pro-Turn 600, the latest and greatest addition to our new generation of zero turn lawnmowers. We've pulled out all the stops to build a commercial machine focused on operator comfort without sacrificing its superior performance, and we wrapped it all up in a sleek new design. You'll cut more acreage faster yet feel less fatigued when you trailer-up for the night. Once you hop on board this new standard for commercial mowers, you'll never look back.

Features

- **52" X-Factor® III Deck** - Redesigned 7-gauge fabricated steel deck engineered for improved grass dispersion and long-term durability.
- **Kawasaki® FX1000 Engine** - Powerful 35 HP gas engine delivers reliable commercial mowing performance and consistent power.
- **Advanced Suspension System** - Helps reduce bumps and jolts for enhanced operator comfort and reduced fatigue during long workdays.
- **Self-Adjusting Suspension Design** - Engineered for less maintenance while maintaining ride quality and control.
- **Large Diameter Tires** - Front and rear tires provide improved traction and a smoother ride across varying terrain conditions.
- **Commercial-Grade Construction** - Built for professional landscapers who need durability, comfort, and productivity in demanding environments.

Best Use

- **Commercial Landscaping Services** - Ideal for crews maintaining residential developments, commercial properties, and large turf areas.

- **Long-Duration Mowing Operations** – Suspension system helps reduce operator fatigue during extended workdays.
- **Large Property Maintenance** – 52-inch deck balances productivity with maneuverability for a variety of mowing environments.
- **Professional Lawn Care Businesses** – Designed for contractors who require dependable performance and all-day comfort.
- **Challenging Terrain Conditions** – Large tires and suspension system help improve ride quality and traction on uneven ground.
