### Product Description

## Bobcat 42" ZT2000 Zero-Turn Mower

The Bobcat® ZT2000 offers more commercial-grade features than other zero-turn mowers in the same price range. It's the perfect Bobcat zero-turn mower for people who want durability and a professional cut at a lower cost. Power and performance are at your command to get the cut you always wanted, with superior cutting-deck airflow and discharge, deck height adjustments that can be made on the fly, and smooth operation all day long. The ZT2000 features ergonomic controls, a Kawasaki® FR series engine, productive cutting speeds up to 7 mph, the TufDeck™ cutting system available in three widths, and more.

- Commercial cutting capability
- Sturdy steel frame
- Commercial-Grade Transmission
- High-back spring-suspension seat

### Features

- **42" TufDeck™ Cutting System** - Provides efficient cutting performance with superior deck airflow and discharge quality.
- **Kawasaki® FR651V Engine** - Delivers dependable power for consistent mowing performance.
- **21.5 Horsepower Engine** - Offers the strength needed for demanding mowing tasks and extended operation.
- **Commercial-Grade Transmission** - Designed to provide smooth operation and reliable performance throughout the workday.
- **Sturdy Steel Frame** - Enhances durability and long-term structural strength for commercial use.
- **High-Back Spring-Suspension Seat** - Improves operator comfort during extended mowing sessions.

- **Productive Cutting Speeds up to 7 MPH** - Helps increase efficiency and reduce mowing time.
- **Ergonomic Controls** - Allow for comfortable handling and convenient operation.

## Best Use

- **Commercial Landscaping** - Ideal for lawn care professionals seeking a durable and productive zero-turn mower.
- **Large Residential Properties** - Provides professional-quality cutting results for homeowners with extensive mowing needs.
- **Property Maintenance** - Suitable for maintaining estates, parks, and commercial grounds efficiently.
- **Professional Lawn Services** - Built to deliver reliable performance for crews requiring consistent results throughout the season.
- **Equipment Shopping at a Bolded Anchor** - A great option for customers visiting a [lawn store in Virginia](#) looking for commercial-grade mowing equipment.

## Commercial Zero-Turn Mower with Kawasaki Power
