Product Description

Bobcat 61" ZT3500 Zero-Turn Mower

We built the ZT3500 zero-turn mower to deliver commercial-grade durability and performance at an affordable price. The ZT3500 is the perfect machine for anyone ready to take on the toughest jobs and leave a great cut.

- When you need a lift in power, the ZT3500 lets you command it with the Kawasaki® FX series engine.
- The deep profile TufDeck™ Pro cutting system is designed with welded, cast aluminum spindles and replaceable, bolt-on baffles for a clean, reliable cut every time.
- Rely on smooth and steady mowing power even at your fastest speeds with the superior Hydro-Gear® ZT-3400 hydrostatic transaxle. Delivering more torque, more output, and more speed whenever you need it.
- Make quick work of big jobs with ground speeds up to 10 mph.
- The ZT3500 offers great control and a smooth, comfortable ride for traversing over even the toughest terrains.
