Product Description

Large Big Green Egg Grill

The Large egg is a versatile outdoor cooker that transforms your backyard into a gourmet kitchen, effortlessly grilling, smoking, roasting, and baking with precision. Advanced thermal technology ensures consistent temperatures from 200°F to 750°F (93°C to 399°C), while the 18.25-inch (46 cm) diameter cooking surface offers ample space for entertaining. The ceramic construction retains heat and moisture, infusing dishes with rich, complex flavors.

- Cooking Area: 262 sq in (1688 sq cm)
- Weight: 162 lbs (73 kg)
- Temperature Range: 200°F - 750°F (93°C - 399°C)
- Capacity: 20 lb turkey, 12 burgers, or 8 steaks

Seamlessly integrate with a range of accessories to expand your culinary horizons. The convEGGtor, pizza stone, and rib rack unlock new cooking techniques, while the intEGGrated Nest+Handler ensures stability and mobility. Premium lump charcoal and signature rubs enhance flavors, completing the outdoor cooking experience. Discover why passionate cooks trust the Large egg for everything from weeknight dinners to gourmet gatherings.
