Product Description

The leader in pellet heat brings you the P42i-TC pellet fireplace insert. Ideal for small to medium spaces, the P42i-TC replaces your out-of-date insert or fireplace, creating warmth, style and a lifetime of cozy memories. Experience the engineering excellence of a Harman with the smartest controls, lowest maintenance and exclusive features. Our unique track system makes it easy to slide the fireplace insert out for maintenance. Easily fill the hopper and monitor fuel levels with the large, glass hopper lid. Built with the perfect blend of cast iron and steel, the P42i-TC accentuates all home styles while the flame-reactive glass creates an elegant, mirrored look when not burning.

- Accurate temperature control with our exclusive EASY Touch Controls
- Less loading with up to 64.5-lb hopper capacity
- Easy maintenance with our unique track system
- Elegant, flame-reactive mirrored glass
- Cleaner glass from exclusive air wash system
- Heat 800-2,100 sq ft with 7,400 - 41,800 BTUs, based on climate and home efficiency
- Two fireboxes size options: 20" and 24", to accommodate your fireplace opening

Fuel Type:

Pellet
