SKU: 143C3625-6347-4994-A029-7D7C1C4460F4

Categories: [Heat & Glo](#)

Product Description

Elevate two spaces at once with the Primo II linear double-sided gas fireplace. The sleek clean finish, big view of the flames, and trailblazing automatic control for low or no heat set the mood for relaxing or entertaining in any season or climate.

- SafeSurface™ glass keeps hands safe without a safety screen.
- Tall 18" viewing height for generous view of flickering flames
- 48", 60" and 72" wide in one-sided or double-sided models
- Safely install combustible materials next fireplace opening
- Multi-colored LED ember lighting highlights crushed glass
- Five interior panel designs for your own custom look
- Easy control with touchscreen remote, wireless wall switch or app
- Cool-wall technology to have a TV or artwork overhead
- Optional automatic heat distribution in your space for warmth when you want it
- Optional indoor/outdoor kit for double-sided presentation
