Product Description

The Allusion Slim electric fireplace beautifully bridges expert technology and style. The ultra-thin, four-inch depth is one of the slimmest in the market, making it easy to recess or wall-mount almost anywhere. Plus, you can create your perfect fire from nine flame colors, 13 ember bed colors, five brightness settings – with or without heat – from the comfort of your couch.

- Nine flame colors, five brightness settings, 13 ember bed colors
- Ultra-thin design enables a flush installation into a 2x4 wall
- 5,000 BTUs of heat generated (with or without flames) through hidden vents
- Four lengths -- 40", 50", 60", 72" offers a solution for any rooms and pairs perfectly with the most popular TV sizes
- Optional Crestline wall mount surround kit for 50" and 60" models with a painted white finish
