Product Description

Get the rustic appeal of a wood fire along with convenience. The Gifford wood fireplace insert for smaller rooms and fireplace openings features the cast-iron craftsmanship of Vermont Castings. Relax in warmth before a handsome design made of recycled iron from our eco-friendly, hydroelectric foundry.

- Timeless cast iron styling with a furniture-quality finish
- Heats 1,400 sq ft based on climate and home efficiency
- Automatic control for up to six hours of even heat per wood load
- Holds up to 18" logs
- Variable-speed fan to distribute heat more effectively
