Product Description

Compact and efficient, the distinguished Intrepid wood stove offers the classic warmth and timeless beauty synonymous with Vermont Castings, now with the convenience of FlexBurn Technology. The style and strength of 100% cast iron construction, combined with features not found often on stoves of this size, put the Intrepid FlexBurn in a class of its own. When paired with the optional catalytic performance pack, it becomes the cleanest burning wood stove ever certified by the EPA.

- Easily load wood from the top, minimizing effort and keeping smoke and embers contained.
- Cleanly remove ashes, even when the stove is hot, with the exclusive swing-out ash pan and handled cover.
- Enjoy longer burn times with more even heat with thermostatically controlled combustion.
- Perfect for small and mid-sized rooms.
- Eligible for federal tax credit with the purchase of optional Catalytic Performance Pack.

*Qualifies for up to \$2,000 tax credit per year. (US Only) [See more details here.](#)
