Product Description

The Harman Absolute is the smartest pellet stove ever made. Compact and powerful, with the quietest pellet stove operation in its class* and a groundbreaking EASY Touch Control system, this cast iron pellet stove takes home heating to the next level. The smaller Absolute43 heats up to 2,400 sq ft with max 44,000 BTUs, and the larger Absolute63 provides up to 61,800 BTUs to heat up to 3,400 sq ft. Performance and engineering excellence are infused into every design and detail—all backed by more than 30 years of uncompromising American quality.

- Smart operation with EASY Touch Controls
- Near silence in Whisper mode**
- Welcome warmth created by multi-directional air flow technology
- View fuel levels easily with illuminated glass hopper lid
- Elegant flame reactive mirrored glass
- Available in two beautiful finishes - Matte Black and Porcelain Majolica Brown
- Installation made easy with direct vent

*based on third party accredited lab testing with units set on high and Absolute in Whisper mode
