Product Description

Big Impact

The Phoenix TrueView gas fireplace is designed with a large glass-free view and the authentic look of a traditional wood fireplace with the simplicity of a gas. Be captivated by the beautiful logs, glowing LED ember bed and vibrant firescape.

Design Flexibility

Choose between traditional brick or a modern reflective black glass interior. Ease your mind knowing a TV can be safely placed 12" above the opening with no mantel.

Comfort Control

Set the mood with mild heat while listening to the crackle of fire or your favorite music. Select from the IntelliFire® app, touchscreen remote or wireless wall switch for the solution that fits your life.

Phoenix

Nothing comes between you and your fire.
