Product Description

SlimLine fireplaces fit where others don't. Slender profiles make unique installations a reality. Bring your vision to life with multiple models, sizes and finishing options. The ideal combination of flame, glow and logs create a fireside experience you never want to leave. Upgrade the ambiance even more with the enhanced details of the X collection.

Slimline (SL) Series features Include:

- **RIGHT SIZE FOR ANY SPACE** — Find the right fire to fill your space. Select from SL-3, SL-5, SL-7 or SL-9 to fit your space and style, let creative installations inspire. At just 16 inches deep, space is no longer a constraint.
- **FEEL THE REALISM** — Flame, glow and logs come together for an immersive experience. Take it to the next level with the additional heat and options of the SL-3X, SL-5X, SL-7X or SL-9X and lose yourself in the looks and warmth of your SlimLine.
- **FIT YOUR STYLE** — Personalize the aesthetics of the fireplace. Style the front with decorative trims and finishes, choose interior elements, and enrich the appearance with advanced selections. Opt for modern drama, authentic masonry, or somewhere in-between.

Need Service? We don't just sell fireplaces; we maintain them. We offer professional [fireplace repair services](#) to ensure your unit runs safely and efficiently for years to come.
