

Heatilator Icon Series Wood Fireplace

[Read More](#)

SKU: 8F81317E-6467-43DB-8532-64016EFD0C64

Categories: [Heatilator](#)

Product Description

The Icon is the industry's largest wood-burning fireplace. Its beauty is highlighted by expansive viewing areas and authentic masonry looks. Let the fire roar with the Icon in the room.

- 36", 42" or 50" viewing area
- Choose bi-fold or cabinet style door options
- Clean design allows finishing materials to be applied up to the firebox opening

Fuel Type:

Wood
