Product Description

The Allusion electric fireplace series embraces modern design by combining linear proportions with a multitude of flame and ember bed LED lighting themes. Additionally, intuitive operation is exemplified by the standard remote and touch controls on the fireplace front.

- Four flame color themes, 14 ember bed color themes for complete customization
 - Intuitive, multifunction remote for control at your fingertips
 - Adjustable heat that costs just pennies an hour to operate
 - Zone heat your space to remain comfortable, while reducing your monthly bills
 - Available in 40", 48", 60" and 84" wide models
 - Fully or partially recessed or hang on the wall
-
