Product Description

Create an alluring atmosphere from any angle with the SimpliFire® Scion Trinity electric fireplace. In three-sided, corner, or single-sided configurations, it adds stunning ambiance without the need for gas lines or venting.

- Bring finishing materials right up to the edge of the fireplace for a flush look
- Flexible installation allows for 3-sided (bay), 2-sided (corner) or single-sided applications
- No mesh screen or visible heat vents
- Safely place a TV or artwork directly above the fireplace
- Four flame color choices, 14 ember bed color choices for complete customization
- Accent lighting for greater warmth and ambiance
- Multiple media options come standard for the look you want, including clear crystal media and driftwood logs with glowing embers
- Enjoy year-round, with or without heat
- Available in 43" and 55" sizes
- Up to 5,000 BTUs provides two-stage supplemental heat
