Product Description

Watching the flames and feeling the warmth of a wood fire is an experience that never gets old. The Montpelier II wood insert maintains that timeless appeal and highlights large, unobstructed views of the fire, turning your existing, drafty fireplace into an efficient centerpiece. Proudly crafted and casted by our artisans in Vermont, where no detail is too small, no element insignificant.

- Timeless cast iron styling with a furniture-quality finish
- Heats 1,000-2,400 sq ft with 56,000 BTUs, based on climate and home efficiency
- Variable speed fan comes standard to better distribute heat throughout your space
- Conveniently burn up to 20" logs
