Product Description

Reap the benefits of form and function. SIMPLY MODERN. Clean lines and elegant ambiance never go out of style. A linear design and long ribbon flame form a broad and warming firescape. DESIGN IT YOUR WAY. Two sizes and several finishing options create a fundamentally modern look for any space. Select a front, interior option or a black reflective glass liner. Choose a traditional or driftwood log. Set the mood with LED lighting. Make the look your own. COMFORT CONTROL. Operate your fireplace from an intuitive, smart and safe control. Add heat management and direct the heat where you want it.

Simply Modern

- Linear design
- Long ribbon flame

Design it Your Way

- Available in 32", 36" or 42" sizes
- Two log and seven media options
- Optional black glass interior panels and LED lighting
- Two fronts and five finishes
- Add a Passive Heat or SmartWall™ TV Kit and mount your TV 12" above your fireplace with no mantel required

Comfort Control

- Enhanced safety with intermittent pilot ignition
- Select from the IntelliFire® app, touchscreen remote or wireless wall switch for the solution that fits your life
