Product Description

The Rave adds a modern, linear style and proven value to any home or office. Contemporary design elements are highlighted by a long, mesmerizing ribbon flame rising through attractive modern media. Explore unique placements and create a custom look with a choice of finishing options; include the optional Passive Heat kit to enable a TV just 12" above the Rave fireplace without a mantel.

With unsurpassed dependability and exceptional value, the Rave gas series is another way Heatilator has been keeping America warm since 1927.

- Modern style in a popular linear design
- Select from the IntelliFire® app, touchscreen remote or wireless wall switch for the solution that fits your life
- Available in 32", 36" or 42" models to fit a variety of spaces, including corners
