Product Description

Compact yet strong, the Aspen® wood stove adds warmth and style to intimate spaces. When every element is meticulously crafted, quality speaks for itself. With no manual controls, this is the simplest stove you will ever operate.

- Continuous Combustion Control™ (C3) Technology automatically optimizes heat output and efficiency throughout the life of the burn
- Top plate cooking surface for the stovetop chef
- Up to 10 hours of burn time from each load of wood
- Perfect for small and mid-size spaces
