Product Description

Designed with comfort and ambiance in mind, the Allusion Platinum provides an impressive viewing area within a minimal frame. Easily customize your experience with a variety of adjustable flame and LED ember bed lighting themes and multiple media options. Control your comfort from anywhere in the room with the included convenient, multi-function remote. Best of all, enjoy the flames year-round—with or without the heat.

- Safely place a TV or artwork directly above the fireplace
- Four flame color choices, 14 ember bed color choices for complete customization
- Crystal, stone or driftwood media are standard
- Optional Boyd build-out kit (50" model only) for installation with no construction
- Adjustable heat that costs just pennies an hour to operate
- Enjoy year-round, with or without heat
- Intuitive, multifunction remote for control at your fingertips
- Zone heat your space to remain comfortable, while reducing your monthly heating bills
- Available in 50", 60" and 72" sizes
