Product Description

Add warmth and fireside views to two spaces—with one fireplace. The Twilight is the world's first see-through indoor/outdoor gas fireplace. Enjoy the fire yearlong, from either side. An advanced design and strong construction ensures an impressive and consistent performance.

- Unique indoor/outdoor viewing for increased fireside views
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- Select from the IntelliFire® app, touchscreen remote or wireless wall switch for the solution that fits your life
- 36" wide fireplace adds enjoyment to your space

The Twilight Modern is an evolution of the industry's first indoor/outdoor gas fireplace. This Direct Vent gas unit offers impressive fireside views whether relaxing inside or enjoying the outdoors. Bolster your favorite room and upgrade your outdoor living space—let the Twilight deliver modern style, inside and out.

- Unique indoor/outdoor viewing for increased fireside views
- Artistic flames rise through a crushed glass firebed for eye-catching details
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- Select from the IntelliFire® app, touchscreen remote or wireless wall switch for the solution that fits your life
- 36" wide fireplace adds enjoyment to your space
