Product Description

The Constitution is a beautiful and efficient wood-burning fireplace. Strict air quality regulations or "burn bans" are no match for these clean-burning, eco-friendly wood fireplaces! Savor exceptional heating power with extremely easy operation.

- 68,200 BTUs—heats 1,000 to 2,600 sq. ft. based on climate and home efficiency
- 2.7 cu ft interior capacity / 22" maximum log length
- Up to 10 hours of burn time†
- EPA certified with emission levels of just 1.8 grams per hour

Fuel Type:

Wood
