Product Description

Wright Velke LC 52" Floating Deck Walk Behind Mower

LIGHT & COMFORTABLE.

The WVGC, WVHC, and WVLC series of Walk-Behind mowers offer the operator a range from lower cost gear drive, medium range hydro, and large frame hydros with the same easy-to-use controls and floating decks (except 32").

The Wright Velke LC 52 combines power, comfort, and maneuverability in a commercial-grade package. Designed with a floating deck for consistent cut quality across varying terrain, this mower adapts smoothly to uneven ground while maintaining precision. The easy-to-use control layout reduces operator fatigue, and the large-frame hydro drive system delivers reliable performance for demanding daily routes. Built for productivity and long-term durability, it offers an excellent balance of strength and comfort for professional lawn care crews.

Best Use:

- Ideal for medium to large commercial properties
- Perfect for contractors needing maneuverability with wider cutting coverage
- Great for properties with varying terrain requiring a floating deck
- Suitable for crews running daily maintenance routes
- Excellent for operators who prefer walk-behind control with Velke sulky capability
