Product Description

Wright Velke LC 61" Floating Deck Walk Behind Mower

LIGHT & COMFORTABLE.

The WVGC, WVHC, and WVLC series of Walk-Behind mowers offer the operator a range from lower cost gear drive, medium range hydro, and large frame hydros with the same easy-to-use controls and floating decks (except 32").

The Wright Velke LC 61 is engineered for commercial crews that demand maximum productivity and durability. Featuring a wide 61-inch floating deck and Hydro-Gear 10cc drive system, this mower delivers smooth handling and consistent cut quality across uneven terrain. The powerful 23.5HP FX730E engine provides the torque needed for heavy grass conditions, while the comfortable, easy-to-use controls help reduce operator fatigue during long workdays. Designed for efficiency and long-term performance, it's a dependable solution for high-volume mowing operations.

Best Use:

- Ideal for large commercial properties and open spaces
- Perfect for crews needing faster mowing times with wider coverage
- Great for maintenance routes with heavy weekly use
- Suitable for properties with uneven terrain requiring a floating deck
- Excellent for operators who prefer walk-behind control with sulky capability
