Product Description

Wright ZXT 52" EFI Zero Turn Mower

POWERFUL. COMFORTABLE. LOW MAINTENANCE.

The all-new ZXT encompasses our mission as a company: Serving landscape professionals through building machines with high productivity, excessive power, extremely low-maintenance, and extended service intervals. We have implemented features like a 40HP EFI engine, Oil Guard 500hr system, 1000hr hydro oil system, 3x Extended Air Filter, 26" rear tires, 6" long travel suspension - all of this to help you do your job more efficiently, more comfortably and with less head-ache of unexpected maintenance, ultimately allowing you to make more money in less time.

Features

- **38.5 HP Kawasaki® FX1000 Engine** - Delivers exceptional commercial-grade power for demanding mowing applications.
- **52" Cutting Deck** - Provides efficient cutting coverage while maintaining excellent maneuverability on commercial properties.
- **Electronic Fuel Injection (EFI)** - Enhances engine performance and efficiency for consistent commercial operation.
- **Oil Guard 500-Hour System** - Extends oil service intervals to reduce routine maintenance requirements.
- **1,000-Hour Hydro Oil System** - Designed for extended hydraulic oil service intervals, minimizing downtime.
- **3X Extended Air Filter** - Increases air filter service life for reduced maintenance and dependable engine performance.
- **6" Long-Travel Suspension** - Improves operator comfort during extended mowing sessions across varying terrain.
- **26" Rear Tires** - Provides enhanced traction and stability for professional mowing conditions.

Best Use

- **Commercial Landscaping** – Built for professional lawn care crews who require maximum productivity and dependable daily performance.
- **Large Property Maintenance** – The 52-inch deck delivers efficient mowing for commercial and large residential landscapes.
- **Extended Workdays** – Long service intervals and suspension features help reduce downtime and improve operator comfort.
- **Professional Equipment Fleets** – An excellent addition for contractors expanding their mowing lineup through [Miller ACE Power Equipment Rentals](#).

52-Inch Commercial EFI Zero Turn Mower with Kawasaki Power
