Product Description

Wright ZXT 72" EFI Zero Turn Mower

POWERFUL. COMFORTABLE. LOW MAINTENANCE.

The all-new ZXT encompasses our mission as a company: Serving landscape professionals through building machines with high productivity, excessive power, extremely low maintenance, and extended service intervals. We have implemented features like a 40HP EFI engine, Oil Guard 500hr system, 1000hr hydro oil system, 3x Extended Air Filter, 26" rear tires, 6" long travel suspension - all of this to help you do your job more efficiently, more comfortably and with less head-ache of unexpected maintenance, ultimately allowing you to make more money in less time.

Features

- **72" Cutting Deck** - Provides maximum cutting coverage for increased productivity on large commercial mowing jobs.
- **38.5 HP FX1000 EFI Engine** - Delivers powerful, fuel-injected performance for demanding commercial applications.
- **Oil Guard 500-Hour System** - Designed to extend oil service intervals and reduce routine maintenance requirements.
- **1000-Hour Hydro Oil System** - Helps minimize maintenance with extended hydro oil service intervals.
- **3x Extended Air Filter** - Supports longer service intervals for improved operational efficiency.
- **6" Long-Travel Suspension** - Increases operator comfort during extended mowing sessions across varying terrain.
- **26" Rear Tires** - Provides dependable traction and stability for commercial mowing.
- **Commercial Zero-Turn Design** - Built for high productivity, durability, and low maintenance.

Best Use

- **Commercial Landscaping** - Ideal for professional lawn care crews maintaining large commercial and municipal properties.

- **Large Acreage Mowing** - The 72-inch deck helps maximize productivity by covering more ground in fewer passes.
- **Fleet Expansion** - A great choice for contractors searching for a Wright ZXT 72 for sale to increase mowing efficiency.
- **Routine Equipment Care** - Following the [right way to sharpen your mower blade](#) helps maintain cut quality and consistent mowing performance.

Wright ZXT 72 Commercial Zero Turn Mower

The Wright ZXT 72" EFI Zero Turn Mower delivers commercial-grade performance with a 38.5 HP FX1000 EFI engine, a 72-inch cutting deck, and extended maintenance intervals featuring the Oil Guard 500-hour system and 1000-hour hydro oil system. This [reliable zero turn mower](#) is built for landscape professionals who need maximum productivity, operator comfort, and reduced maintenance to keep crews working efficiently.
