Product Description

Wright ZXL 61" Zero Turn Mower

DURABLE. COMFORTABLE. PRODUCTIVE.

The all-new ZXL zero-turn rider fills the gap between our current ZTO and ZXT models and is a welcomed addition to our ZX series of commercial riding mowers. Built on the same frame as the ZXT, the ZXL shares the extreme durability and construction of the ZXT but in a lighter, more compact, and more affordable package. The ZXL is equipped with powerful EFI engine offerings, large 24" rear tires, a premium bolstered suspension seat, and Aero-core deck, along with 15.5 gallons of fuel capacity. The ZXL is available in 52 and 61-inch deck sizes and is compatible with the WrightVac power bagging system, making it a versatile and valued asset in your fleet.

Features

- **61" Aero-Core Deck** - Provides wide cutting coverage for efficient commercial mowing and consistent cut quality.
- **34.5 HP Kawasaki FX820V-EVO EFI Engine** - Delivers powerful, fuel-injected performance for demanding mowing applications.
- **Commercial-Grade Frame** - Built on the same durable frame as the Wright ZXT for long-lasting reliability.
- **Premium Bolstered Suspension Seat** - Enhances operator comfort during extended workdays.
- **24" Rear Tires** - Offers dependable traction and stability across a variety of mowing conditions.
- **15.5-Gallon Fuel Capacity** - Supports longer mowing sessions with fewer refueling stops.
- **WrightVac Compatibility** - Compatible with the WrightVac power bagging system for added versatility.
- **Compact Commercial Design** - Combines durability and productivity in a lighter, more maneuverable package.

Best Use

- **Commercial Landscaping** - Ideal for professional crews maintaining large residential and commercial

properties.

- **Large Property Maintenance** – The 61-inch deck helps increase productivity while maintaining excellent maneuverability.
- **Fleet Expansion** – A great option for contractors searching for a Wright ZXL 61 for sale to enhance their commercial mowing fleet.
- **Contractor Support** – Pairs well with [power equipment rental in Stephens City, VA](#) for businesses needing additional equipment during peak mowing seasons.
