Product Description

Wright ZXL 61" Zero Turn Mower

DURABLE. COMFORTABLE. PRODUCTIVE.

The all-new ZXL zero-turn rider fills the gap between our current ZTO and ZXT models and is a welcomed addition to our ZX series of commercial riding mowers. Built on the same frame as the ZXT, the ZXL shares the extreme durability and construction of the ZXT but in a lighter, more compact, and more affordable package. The ZXL is equipped with powerful EFI engine offerings, large 24" rear tires, a premium bolstered suspension seat, and Aero-core deck, along with 15.5 gallons of fuel capacity. The ZXL is available in 52 and 61-inch deck sizes and is compatible with the WrightVac power bagging system, making it a versatile and valued asset in your fleet.

Features

- **61" Aero-Core Deck** - Provides wide cutting coverage for improved productivity and consistent commercial cut quality.
- **27 HP Kawasaki FX850 Engine** - Delivers dependable gas-powered performance for demanding mowing applications.
- **Commercial-Grade Frame** - Built on the same durable frame as the Wright ZXT for long-lasting reliability.
- **Premium Bolstered Suspension Seat** - Enhances operator comfort during extended mowing sessions.
- **24" Rear Tires** - Provides reliable traction and stability across a variety of commercial mowing

conditions.

- **15.5-Gallon Fuel Capacity** - Supports longer work periods with fewer refueling stops.
