Product Description

Wright ZXL 52" Zero Turn Mower

DURABLE. COMFORTABLE. PRODUCTIVE.

The all-new ZXL zero-turn rider fills the gap between our current ZTO and ZXT models and is a welcomed addition to our ZX series of commercial riding mowers. Built on the same frame as the ZXT, the ZXL shares the extreme durability and construction of the ZXT but in a lighter, more compact, and more affordable package. The ZXL is equipped with powerful EFI engine offerings, large 24" rear tires, a premium bolstered suspension seat, and Aero-core deck, along with 15.5 gallons of fuel capacity. The ZXL is available in 52 and 61-inch deck sizes and is compatible with the WrightVac power bagging system, making it a versatile and valued asset in your fleet.

Features

- **27 HP Kawasaki FX850 Engine** - Delivers dependable commercial-grade power for demanding mowing applications.
- **52" Aero-Core Deck** - Provides wide cutting coverage for efficient mowing and professional-quality results.
- **Commercial Zero-Turn Design** - Built on the same frame as the ZXT for proven durability in a lighter, more compact package.
- **Premium Bolstered Suspension Seat** - Enhances operator comfort during long workdays.
- **Large 24" Rear Tires** - Helps provide traction and stability across a variety of mowing conditions.
- **15.5-Gallon Fuel Capacity** - Supports extended mowing sessions with fewer fuel stops.
- **WrightVac Compatibility** - Compatible with the WrightVac power bagging system for added versatility.

Best Use

- **Commercial Landscaping** - Ideal for professional lawn care crews maintaining commercial properties, estates, and large residential accounts.
- **Large Property Maintenance** - The 52-inch Aero-Core deck helps improve productivity while
