### Product Description

## Gravely Pro-Turn EV 48" SD Zero Turn Mower

ALL DAY ELECTRIC POWER. TRUE COMMERCIAL PERFORMANCE.

Introducing the Pro-Turn® EV — The first all-day electric commercial zero-turn. They run quieter while delivering the power and performance you expect from Gravely.

### Features

**FusionCore QuikSwap Batteries** - FusionCore QuikSwap batteries are designed with flexibility in mind, ensuring you and your crew have the ability to continue cutting all day and beyond. Once again, Gravely is driving innovation and taking full charge of the new electric frontier.

**X3 Constant Drive Spindles** - Our proprietary spindles are designed to prevent motor damage by absorbing blade impact, protecting the machine from those unavoidable, accidental run-ins with ordinary obstacles. Spindles are easily serviceable, allowing you to rebuild and not replace.

**Next-Gen Wheel Drives** - Commercial durability and comfort reign supreme. Transaxles are driven with a brushless electric drive motor coupled with a planetary gearbox that increases torque. Your ride will feel the same as a gas-powered machine...minus the vibration, noise and exhaust.

## Commercial 48" Electric Zero Turn Mower with Side Discharge

The Gravely Pro-Turn EV 48" SD Zero Turn Mower combines commercial-grade performance with FusionCore QuikSwap batteries, X3 Constant Drive Spindles, and next-gen wheel drives. This [reliable zero turn mower](#) delivers quiet, powerful, and efficient all-day electric mowing for professionals who demand durability and precision. For more information, [contact us today or get financed today](#) to add this mower to your fleet.
