Product Description

Gravely Pro-Stance 52" Stand On Mower

Take on hills with confidence on the redesigned PRO-STANCE®. With redistributed weight and a lowered center of gravity, the PRO-STANCE offers versatility with a range of deck sizes. The redesigned PRO-STANCE will ensure you maximize your investment.

Features

Height of Cut System - Less deck-lifting force, a thumb release and a vertical pin system add ease to cutting height adjustments.

Adjustable Cruise Bar - Allows the operator to limit and expand the unit's maximum speed in tight working environments.

Added Efficiency - Reduced complexity gives users the freedom to make critical adjustments in just minutes.

Best Use

- **Commercial Landscaping** - Perfect for professional operators managing large properties.
- **Sloped or Hilly Terrain** - Enhanced stability for mowing on inclines.
- **High-Productivity Turf Maintenance** - Efficient, precise mowing for large areas.
- **Professional Lawn Care** - Ideal for landscapers seeking versatility, control, and reliability.
