Product Description

Gravely Pro-Turn® 360 Kawasaki® Zero-Turn Mower

COMFORT AND DURABILITY, YARD AFTER YARD AFTER YARD AFTER YARD...

Introducing the Pro-Turn® 300. A newly designed, hard-working mower built to keep you comfortable from dawn to dusk. This is mowing to the next-level thanks to its innovative features and superior cutting performance.

Features

- **31 HP Kawasaki® FX921V Engine** - Provides reliable, commercial-grade power for consistent performance.
- **60" Fabricated Deck** - Delivers wide cutting coverage with durable construction for professional results.
- **Gas-Powered Engine** - Ensures dependable operation and efficiency for extended mowing sessions.
- **Zero-Turn Maneuverability** - Allows precise navigation around obstacles and tight spaces.
- **Pro-Turn 300 Series Design** - Combines comfort, durability, and advanced features for yard-after-yard performance.
- **Commercial-Grade Build** - Engineered to withstand heavy-duty use in professional landscaping.
- **Comfort-Focused Operator Station** - Designed to reduce fatigue during long mowing jobs.

Best Use

- **Professional Landscaping** - Perfect for commercial crews managing large properties efficiently.
- **Large Yard Maintenance** - Wide deck and zero-turn capabilities increase productivity.
- **Precision Cutting Tasks** - Fabricated deck ensures clean, professional-quality cuts.
- **Extended Mowing Sessions** - Comfortable operator station supports long-duration work.
